I just seen the doctor earlier and he said my ear has healed itself where its almost  
healed it myself since he ordered them so I dont need the ear drops now could you  
please contact the fiscal management and just have them credit my account  
because I recieved no treatment and I should not be charged for services I did not  
recieve, I know this is not your fault, if you dont have the authority to refund my  
account I can get my family too contact charleston about the issue, thank you for  
your help

the ear drops had to be approved and we had to wait on the pharmacy you will  
recieve them and you do need them if ear quit hurting it will restart and you will wish  
you had the drops
